FOR IMMEDIATE RELEASE

Highway 12-Rio Vista Bridge Work One-Way Traffic Controls Scheduled Sunday

Solano County – The California Department of Transportation (Caltrans) will be doing electrical work on the Rio Vista Bridge this Sunday. The work is scheduled to start this Sunday, February 26th at 7 a.m. and conclude at 4 p.m. Work is weather permitting.

Crews will be replacing worn electrical cables and lights on the bridge.

To ensure public and worker safety, one-way traffic controls will be in effect. Crews will alternate lane closures in both eastbound and westbound directions. This will allow one lane on the bridge to remain open during the work. Flaggers will help direct traffic. Motorists should expect delays and allow for extra travel time.

Please drive cautiously through the construction zone and leave a safe traveling distance between your vehicle and the vehicle ahead of you. Caltrans appreciates your patience as we work to improve the highways.

For boat and ship traffic, the bridge will operate normally for any vessels passing underneath it along the Sacramento River.
